LETTER OF GUARANTEE

I, Mr. Manuel Romero de Ávila Ramírez, in my capacity as the Managing Director of Manuel Romero de Ávila Ramírez S.A., hereby confirm that the saffron dispatched to IBERIA Trading Co. Ltd. in Tokyo, Japan, is 100% pure Saffron from *Crocus Sativus* L. It is free from any artificial additives, colorants, and has not been subjected to any form of ionization or radiation. I assure that the quality matches the originally offered standards and aligns with all shipments delivered, Spanish COUPE Premium Quality Saffron filaments. This certification is issued and signed in Albacete on January 31st, 2024.
